Skills & Proficiency

No-Code / Low-Code Prototyping Tools - Figma, Make, Lovable, Draw.io, InVision

User Testing & Validation

Data Extraction (SQL / MySQL)

Product Analytics - Mixpanel, Google Analytics

Workflow Automation - Make.com, n8n

A/B Testing & Hypothesis
Validation

adoption within two quarters.

- Identified the need for better UX to address the diverse and complex survey use cases for customers and refined survey templates without disrupting existing workflows, **which resulted in a 12% increase in enterprise customer retention.**

2019-08 -
2022-09

Senior Business Analyst

Daffodil Software

VivoDoc (U.S.-based Healthcare Marketplace and EMR)

- Addressed approximately 24-day patient wait times and provider inefficiencies (burnout, no-shows, reimbursement friction) by **building a HIPAA-compliant telemedicine platform, which scaled to over 1,000 practitioners across more than 60 specialties.**
- Platform supported **real-time scheduling, insurance verification, EHR integrations (Athena, DrChrono), and cloud-native payments.**
- Effective patient wait times were reduced by approximately 40% to 60%, and provider utilization improved by 15% to 25%.

Chalo (India-based transport app).

- Worked on unifying the fragmented GPS, ticketing, and dispatch systems by **building a centralized ITS and DOA platform**, which enabled real-time tracking, automated fare collection, and scaled fleet operations for over 15,000 vehicles across 17 cities in India.

Adnan - Quran Learning App (Saudi-based platform)

- Revamped offline-first, gamified Quran learning flows for children by adding progress tracking and retention features, which **improved completion rates by 22% via adaptive repetition.**

2018-05 -
2019-08

Consultant

Questa Global Ltd.

- Supported the creation of hiring strategies and process improvements for IT and BFSI clients.
- Contributed to improving operational changes that increased efficiency by approximately 30%.

Education

2016-06

B.Tech: Electrical & Electronics Engineering

PSIT Kanpur (APJ Abdul Kalam Technical University)

Graduated with a CGPA of 7.0/10. Was among the top 5% of the class with a batch strength of 80
